Information for Sports Portraits

10% of all sales from these sessions will be donated back to your school sports program!

More prints and merchandise available than what is on the paper order forms, including prints on metal and statuettes.

5-Minute Sports Session - \$19 (plus tax)

- Includes \$19 Print/Merchandise Voucher!
- Full line of professional-quality prints, canvases, metal prints, acrylic, and other print products, and ALL images used for printing are professionally retouched

This is for the athlete who just wants a button or magnet and maybe a few prints. Get in, get it done, and get out! Somewhat similar to the at-school experience (only there we only have about 60 seconds with you.) This is an in-studio green screen session with a viewing monitor so you can see what your getting as you go!

15-Minute Sports Session - \$49 (plus tax)

- Includes \$49 Print/Merchandise Voucher!
- Hair/Makeup stations available
- Changing and waiting areas available
- Full line of professional-quality prints, canvases, metal prints, acrylic, and other print products, and ALL images used for printing are professionally retouched

This is for the athlete who wants more! With this you get more time and more shots to help create your vision! Fifteen minutes doesn't seem like much, but we can do a lot in that time. Remember, we'd only have about 60 seconds at school with you. This is an in-studio green screen session with a viewing monitor so that you can see what your getting as you go!
